

Employment Opportunity in Villebois, Quebec

Electrician – Part time Position

Denison Environmental Services (DES), a division of Denison Mines Inc., (Elliot Lake ISO 9001:2008 registered) is a nationally recognized leader in the supply of mine care and maintenance (C&M), mine-site decommissioning and consulting services across Canada. DES is seeking a part time Electrician for the Selbaie Mines project. The Selbaie site is a former copper-zinc mine located north of Rouyn Noranda, QC. The regular work week for this position is two (2) days of ten (10) hours per day for the week not including travel time to the site. There is also a travel allowance from Villebois to the Selbaie site.

Requirements:

- Bilingual, in both written and spoken French and English is required.
- Licenced Electrician with 5 years' experience
- Valid (clean) drivers' license that allows you to drive in the province of Quebec

Roles and responsibilities are as but not limited to the following:

- Electrical/Instrumentation troubleshooting and repairs;
- Perform instrumentation adjustments;
- Calibration of electronic equipment;
- Ability to operate craft such as ATV, snow machine and boats;
- Required to plan and execute routine tasks with minimal guidance; and
- Support the maintenance plan and interacting with the lime slaker and various water management systems on site.
